

North Andover Is...

By: Gabriella Tober

Winter has made the town go cold,
In the summer it's hot.
In spring it rain from head to toe...
Fall, the trees leave a lot.

North Andover is always pretty,
North Andover is a peaceful town,
No matter what season..
It does not bring North Andover down.

North Andover has beauty.
I mean just look outside!
North Andover has 8 beautiful schools,
That all show pride.

North Andover's pastime,
Goes a long way.
North Andover is full of happiness.
North Andover to me is...HOORAY!
