

*Nestled in the verdant valley,
Opulent in field and farm,
Resplendence shown in every season,
Tabernacle of New England charm.
Harvest moon on Weir Hill summit,*

*April morn on Common dew,
North Parish's steeple, iconic spire,
Dawn mist crowns Lake Cochichewick's hue.
Osgood, Barker, Kittredge, Steven's
Vale and hill at Eden's door,
Ever home and blessed haven,
Regal now and evermore.*
